The MSYSA Director's Academy is a statewide program for U11 and U12 teams who aspire to play at the highest levels of US Youth Soccer in the future (National League and/or Midwest Regional League). The Director's Academy focuses on player and club development through coaching education. By participating in the program, clubs commit to a higher standard of coaching education by attending coaching education events and submitting training session and training blocks for review.

Teams who are accepted into the MSYSA Director's Academy program are required to participate in the Director's Academy Division of the MSYSA Junior State Cup. Only the Under-12 teams who participate in the DA Division of the MSYSA Junior State Cup will be considered for Midwest Regional League (MRL) participation the following year at the U-13 age group. The eight (8) Junior State Cup DA Division Quarterfinalists will earn MRL endorsement.
